# INSTALLATION

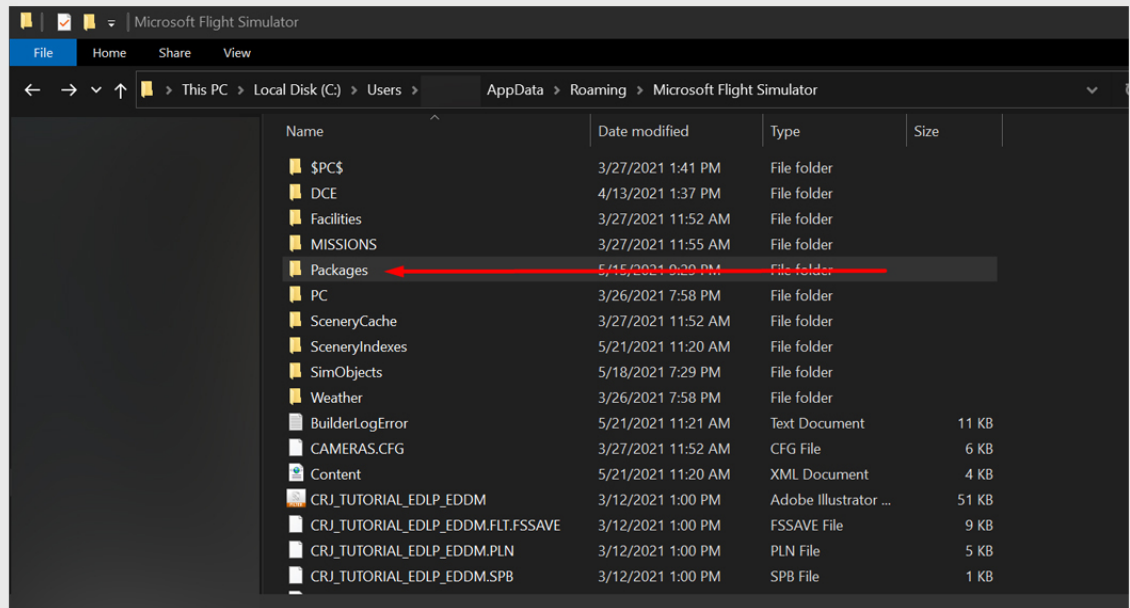

If you purchased our addon from a third-party store, please follow the instructions provided by them to install via their installer.

If you purchased your addon from our shop, please follow the steps below.

To install the scenery package, simply unzip “Terrapearl - Molokai (PHMK)” into your Microsoft Flight Simulator’s **/packages/community** folder.

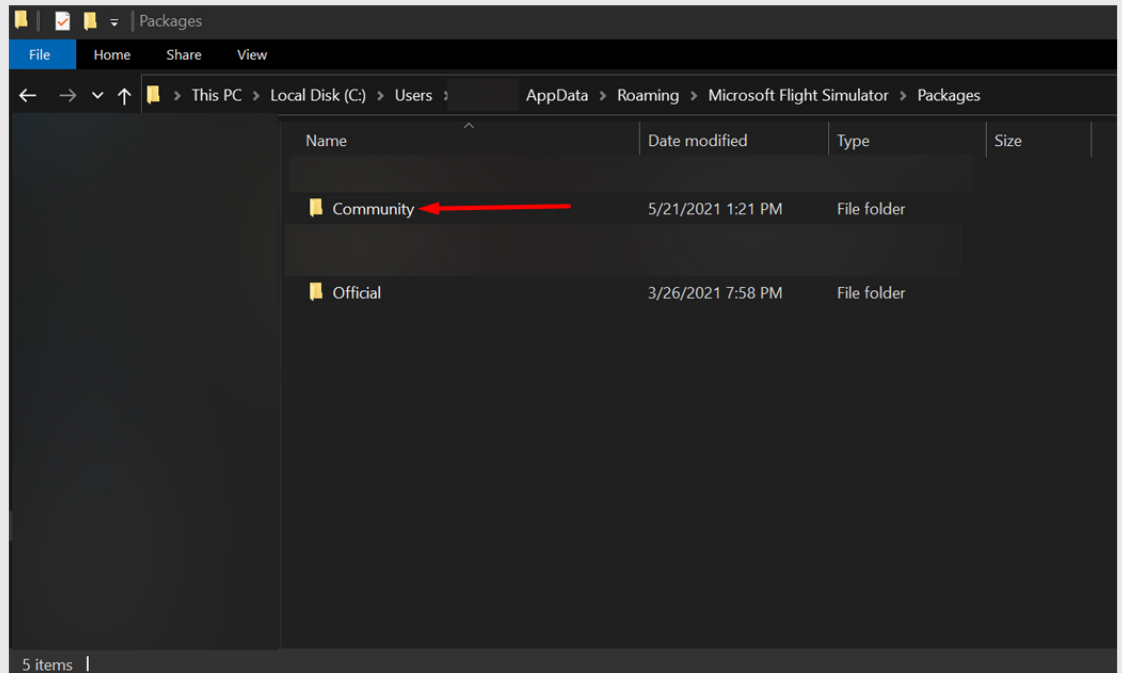

*NOTE: If you need to know where your main Flight Simulator directory is located, please refer to the section “Microsoft Flight Simulator Directory Location” below.*

## 1. Locate your main Flight Simulator folder and select "Packages"

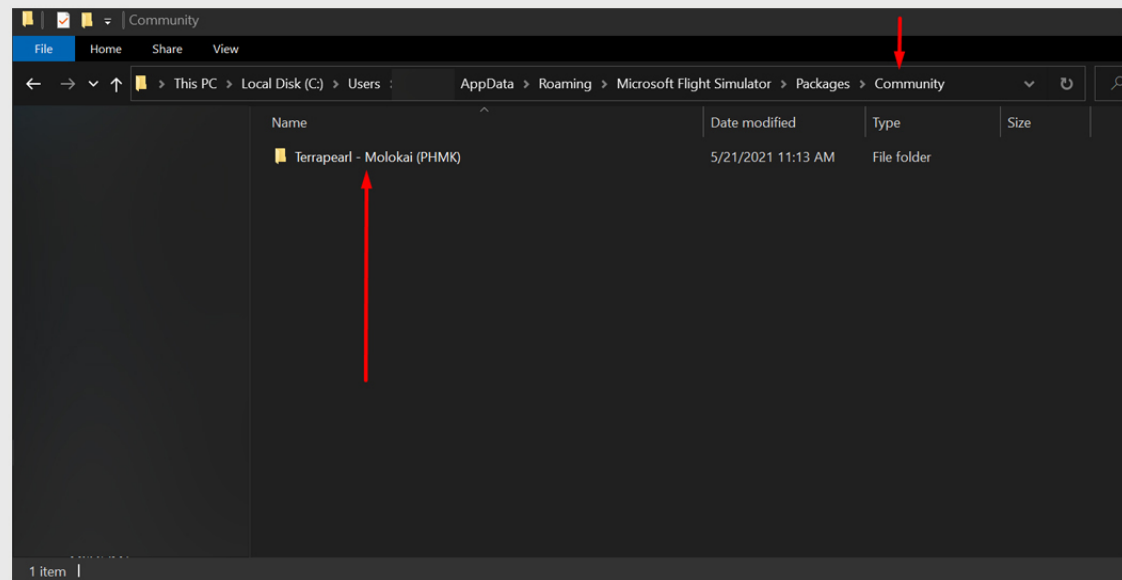

# INSTALLATION (cont.)

2. Inside the "Packages" folder, select the "Community" folder

3. Place the unzipped "Terrapearl - Molokai (PHMK)" folder inside the "Community" folder.

That's it! Load into the simulator and enjoy!
